The team ranking in each tournament is according to FIFA.<sup>[8]</sup> The rankings, apart from the top four positions (top two in 1930), are not a result of direct competition between the teams; instead, teams eliminated in the same round are ranked by their full results in the tournament. In recent tournaments, FIFA has used the rankings for seedings for the final tournament draw.<sup>[9]</sup>

For each tournament, the number of teams in each finals tournament (in brackets) are shown.
